

It is my hope that you will have a great start in the school community and that you will explore and appreciate all of what this wonderful city of Washington D.C. and the surrounding areas have to offer.

If you ever think that there is anything I can help you with, don't hesitate to let me know. Just ask anyone at the school where my office is. It is very important to me that communication is open and at eye-level. We can all learn from each other.

When it comes to your daily school life, I hope everything turns out the way you imagined or better, with great new friends and that you enjoy coming to school every day.

All the best for a smooth start!

Sincerely
Carsten Apsel
